A fully integrated CNG system, built with OEM-quality parts and serviced with standard diagnostic equipment.

Fuel selector switch and CNG gauge

CNG receptacle inside the fuel door

Diamond plate tank cover

Toolbox tank cover

Tank cover in a service body

Service body trucks

Why CNG

- Helps make America less dependent on foreign oil
- Non-toxic and burns cleaner, reducing urban smog and harmful pollutants
- No particulates and lower carbon dioxide, the principal greenhouse gas
- Fuel cost savings of up to 50%

Built to last

- Sales and service at authorized dealers and installers nationwide
- Meets all Altech-Eco engine durability requirements
- Only the highest OEM-quality materials and components
- Serviceable with standard diagnostic equipment
- Maintains all OBD-II functionality

8 yr / 80,000 mi
Emissions components warranty

3 yr / 36,000 mi
CNG components warranty

Ford warranty
Stays fully intact

Refill amounts vary with the station, weather and temperature. Altech-Eco natural gas systems are produced by Altech-Eco and are not a Ford Motor Company manufactured product.
